III Corps/Ft. Hood Hotline 254-319-4671

NOTE: These steps are based on DoD Directives 6495.01, 1030.01, and Directive Type Memorandum 14-007, and DoD Instructions 6495.02 and 1030.2. The response procedures may vary by Service or installation but must still comply with the requirements in these policies.

EQUAL OPPORTUNITY

If you are the Complainant, you may file 3 different ways:

Anonymous Complaint

Complaints where the complainant remains unidentified may be handled as either an informal or a formal complaint and entered in MEO database, as such. An anonymous complaint can be filed by email or by phone.

Informal Complaint

An informal complaint is one that a Soldier, cadet, or Family member does *not* wish to file in writing on a DA Form 7279. Informal complaints may be resolved directly by the complainant addressing the offending party, a peer, or another person in or outside the complainant's chain of command or NCO support channel, or the MEO professional.

Formal Complaint

A formal complaint is one that a complainant files in writing using a DA Form 7279 and swears to the accuracy of the information.

Complainants Soldiers have 60 calendar days from the date of the alleged incident in which to file a formal complaint. This time limit is established to set reasonable parameters for the inquiry or investigation and resolution of complaints, to include ensuring the availability of witnesses, accurate recollection of events, and timely resolution or remedial action. If a complaint is received after 60 calendar days, the commander may conduct an investigation into the allegations or appoint an investigating officer. In deciding whether to conduct an investigation, the commander will consider the reason for the delay, the availability of witnesses, and whether a complete and fair inquiry or investigation can be conducted.

Within 3 calendar days of complaint receipt MEO professionals will refer complaint to the subject's commander.

The commander or the investigating officer has 30 calendar days to investigate the allegations and meet with the complainant and subject to discuss the outcome of the investigation. The commander may obtain an extension in writing from the next higher commander for usually not more than 30 calendar days (three MUTA (90 days) for USAR). Under extreme circumstances a commander may obtain an additional extension in writing from the GCMCA not to exceed 30 calendar days.

The legal sufficiency review will be conducted within 14 calendar days from the date the investigation is completed.

The first and/or second appeal request must be presented within 7 calendar days following notification of the results of investigation and acknowledgment of the actions of the command to resolve the complaint or the results of the first appeal. The complainant or subject must provide a brief statement that identifies the basis of the appeal. This will be done in writing on the DA Form 7279 and will be returned to the commander in the chain of command who either conducted the investigation or appointed the investigating officer or the commander who conducted the first appeal.

The MEO professional will conduct a follow-up assessment of all formal discrimination complaints. The follow-up assessment will be completed for both substantiated and unsubstantiated complaints, within 30 calendar days following the final decision rendered on the complaint. The purpose of the assessment is to measure the effectiveness of the actions taken and to detect and deter any acts or threats of reprisal.

EO Resolution Tips

Be sure your complaint is MEO related.

(Race, Color, Religion, Sex [to include gender identity and pregnancy], National Origin, Sexual Orientation, and harassment which includes hazing, bullying, and other discriminatory harassment.)

Attempt to communicate your concern to the harasser.

The complainant is not required to confront the harasser; however, it is encouraged.

Did you give your chain of command an opportunity to resolve the issues? Soldiers have the right to visit the EO Office to voice their complaints of unlawful discrimination and/or harassment; however, **we encourage Soldiers to resolve the issue at the lowest level**. If low-level resolution fails, the situation escalates, or is too malicious to resolve at a low-level, the complaint processing system is a process for resolution.

Have you contacted your unit Equal Opportunity

Leader (EOL)? If you cannot resolve your conflict with the harasser or chain of command, contact your unit EOL.

If assistance is still needed, contact your unit EO

Advisor (EOA). Keep in mind that the EO Advisor provides advice and makes recommendations to commanders; and will provide assistance to you through the complaint process. The MEO program is the commander's responsibility.

Be honest and don't provide misleading information.

IAW AR 600-20, Ch. 6-6, "Knowingly submitting a false complaint (a complaint containing information or allegations that the complaint knew to be false) may be punishable under the UCMJ."

Remember a complaint must be supported.

Attempts should be made to resolve concerns at the lowest possible level within an organization. If low-level resolution fails, the situation escalates, or is too malicious to resolve at a low-level, the complaint processing system is a process for resolution.

What is a “Good Soldier”

Ultimately a “Good Soldier” is more than one who meets or exceeds all Army Standards, more than one who is where they are supposed to be, when they are supposed to be, in the proper uniform, and physically and mentally prepared to accomplish the mission at hand.

They are Soldiers who always do their duty – even when no one is watching. They adhere to the Army Values in and out of uniform – with or without Leader supervision.

If the Soldier is a Leader (NCO/Officer) they lead by example all the above and have the moral courage and professional obligation to enforce the standards of the profession.

Remember, the Army is a profession...more than a mere job. Through developmental progression, new members (PVT/PFC) (WO1/2LT) start at a lower level of expectation in the embodiment of the professional values. Over time through experience and counseling, junior members learn to Live and Be the standards of the profession – they buy-in to the values of the profession and live by them, thereby becoming professional Soldiers and members of the profession.

Through quality developmental counseling, we can tap into the potential of hard workers and lead them to grow into professionals. Use this Counseling Guide to assist you in developing your subordinates. Grow adaptive leaders – grow professional Soldiers.

CREED OF THE NON COMMISSIONED OFFICER

No one is more professional than I. I am a Noncommissioned Officer, a leader of soldiers. As a Noncommissioned Officer, I realize that I am a member of a time honored corps, which is known as “The Backbone of the Army”. I am proud of the Corps of Noncommissioned Officers and will at all times conduct myself so as to bring credit upon the Corps, the Military Service, and my country regardless of the situation in which I find myself. I will not use my grade or position to attain pleasure, profit, or personal safety.

Competence is my watch-word. My two basic responsibilities will always be uppermost in my mind---accomplishment of my mission and the welfare of my soldiers. I will strive to remain tactically and technically proficient. I am aware of my role as a Noncommissioned Officer. I will fulfill my responsibilities inherent in that role. All soldiers are entitled to outstanding Leadership; I will provide that Leadership I know my soldiers and I will always place their needs above my own. I will communicate consistently with my soldiers and never leave them uninformed. I will be fair and impartial when recommending both rewards and punishment.

Officers of my unit will have maximum time to accomplish their duties; they will not have to accomplish mine. I will earn their respect and confidence as well as that of my soldiers. I will be loyal to those with whom I serve; seniors, peers and subordinates alike. I will exercise initiative by taking appropriate action in the absence of orders. I will not compromise my integrity, nor my moral courage. I will not forget, nor will I allow my comrades to forget that we are professionals, Noncommissioned Officers, leaders!

Army Values

LDRSHIP

L- **LOYALTY**: BEAR TRUE FAITH AND ALLEGIANCE TO THE U.S. CONSTITUTION, THE ARMY, AND OTHER SOLDIERS.

D- **DUTY**: FULFILL YOUR OBLIGATIONS.

R- **RESPECT**: TREAT PEOPLE AS THEY SHOULD BE TREATED.

S- **SELFLESS-SERVICE**: PUT THE WELFARE OF THE NATION, THE ARMY AND YOUR SUBORDINATES BEFORE YOUR OWN.

H- **HONOR**: LIVE UP TO ALL THE ARMY VALUES.

I- **INTEGRITY**: DO WHAT'S RIGHT, LEGALLY AND MORALLY.

P- **PERSONAL COURAGE**: FACE FEAR, DANGER, OR ADVERSITY (PHYSICAL AND MORAL).

Code of Conduct

I

I am an American, fighting in the forces which guard my country and our way of life. I am prepared to give my life in their defense.

II

I will never surrender of my own free will. If in command, I will never surrender the members of my command while they still have the means to resist.

III

If I am captured, I will continue to resist by all means available. I will make every effort to escape and aid others to escape. I will accept neither parole nor special favors from the enemy.

IV

If I become a prisoner of war, I will keep faith with my fellow prisoners. I will give no information or take part in any action which might be harmful to my comrades. If I am senior, I will take command. If not, I will obey the lawful orders of those appointed over me and will back them up in every way.

V

When questioned, should I become a prisoner of war, I am required to give name, rank, service number and date of birth. I will evade answering further questions to the utmost of my ability. I will make no oral or written statements disloyal to my country and its allies or harmful to their cause.

VI

I will never forget that I am an American, fighting for freedom, responsible for my actions, and dedicated to the principles which made my country free. I will trust in my God and in the United States of America.
